\$316,400
2013 Rolls-Royce Phantom
Most Expensive Vehicle Recovered

1. Used car values are best estimates derived from NADA Guide web services values and clean retail value from NADAGuides.com for the make, model and year of the vehicle in the month it was recovered.

2. Lojack® unit activation is contingent upon the vehicle being located within Lojack's coverage area that spans counties across 29 states throughout the US and the District of Columbia. You may find Lojack's coverage areas at www.lojack.com/coverage or by calling 1-800-4-Lojack.

The Lojack Annual Recovery Report is gathered from data provided by 28 states via Niets as well as California law enforcement and is specific to stolen cars, trucks and SUVs equipped with the Lojack® Stolen Vehicle Recovery System recovered from January 1st 2017 through December 31st 2017.
