

LoJack Monthly Recovery Report*

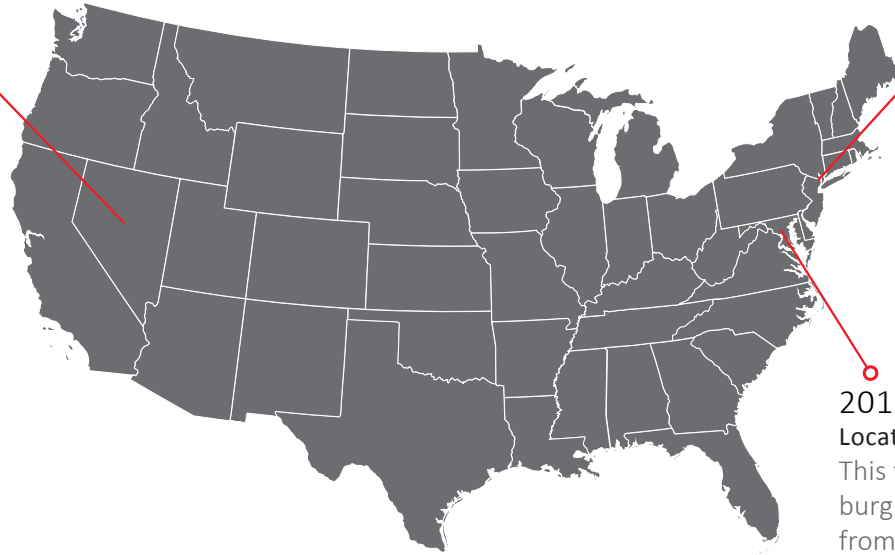

ISSUED DECEMBER 2017

Lo/Jack™

2015 TOYOTA TACOMA

Location: **LAS VEGAS, NV**

After this vehicle was stolen from the owner, the thieves tried to sell the vehicle online. This plot was foiled after someone responded to the listing sensed something was wrong and called the police. The thieves attempted to flee but were arrested and taken into custody. The truck was returned to the owner at the scene.

2017 JAGUAR XJ

Location: **COLT'S NECK, NJ**

This vehicle was left unlocked with the key fob in the vehicle. The owner was unaware it had been stolen from the driveway. Thanks to local law enforcement, the vehicle was recovered a short while later.

2015 RANGE ROVER

Location: **BALTIMORE, MD**

This vehicle was stolen during a residential burglary. Using the directional and audible cues from the LoJack Police Tracking Computers (PTC) installed in patrol vehicles and helicopters, the Baltimore City Police recovered the vehicle and returned it to its owner.

*This issue of the LoJack Monthly Recovery Report is gathered from data provided by 28 states via Nlets as well as California law enforcement and is specific to stolen cars, trucks and SUVs equipped with the LoJack® Stolen Vehicle Recovery System recovered from October 1st through October 31st 2017. Used car values are best estimates derived from NADA Guide web services values and clean retail value from NADAGuides.com for the make, model and year of the vehicle in the month it was recovered. LoJack® unit activation is contingent upon the vehicle being located within LoJack's coverage area that spans counties across 29 states throughout the US and the District of Columbia. You may find LoJack's coverage areas at www.lojack.com/coverage or by calling 1-800-4-LoJack. © 2017 LoJack Corporation.
